## FIRST CIRCULAR

**CARBO-XXXVII:** 4<sup>th</sup> International Conference on “Basic, Analytical and Allied Sciences at the Interface of Carbohydrates and Biomass Valorisation” being jointly organized by the Department of Applied Chemistry, Delhi Technological University (DTU), Delhi, India, and the Association of Carbohydrate Chemists and Technologists (India) at Department of Applied Chemistry, DTU, Delhi - 110042 from **30<sup>th</sup> November to 2<sup>nd</sup> December, 2023**

The Association of Carbohydrate Chemists and Technologists, India (ACCTI) is a scientific body consisting of academicians, scientists, technologists and industrialists actively involved in Carbohydrate Research in the country. The Association organizes Carbohydrate (**CARBO-series**) Conferences in collaboration with various Universities and Research Institutes in India since 1984, with the aim to develop a viable platform for effectual interactions among scientists and industrialists working in this area.

The International Conference on “Basic, Analytical and Allied Sciences at the Interface of Carbohydrates and Biomass Valorisation” (**CARBO-XXXVII**) will be held at the **Department of Applied Chemistry, DTU, Delhi, India** during December 30 November to 2<sup>nd</sup> December 2023 under the auspices of **Association of Carbohydrate Chemists and Technologists (India)**.

The organizing committee of **CARBO-XXXVII** cordially invites you and your fellow colleagues for active participation in the forthcoming conference at **Delhi Technological University (DTU)**, Delhi, India. Please encourage young researchers and your students to participate in the conference. For further details about the **CARBO-XXXVII** Conference, please visit our websites: [www.dtu.ac.in](http://www.dtu.ac.in) and [www.accti.in](http://www.accti.in) and contact the Organising Secretary of the Conference on the following address:
