## FIRST CIRCULAR

**CARBO-XXXVI: International conference on  
“Emerging Trends in Glycochemistry, Glycobiology and Technology”**  
being jointly organised by Department of Chemistry, IIT Bombay and Association  
of Carbohydrate Chemists and Technologists (India)  
at Department of Chemistry, IIT Bombay, Mumbai-400076  
on December 5-7, 2022

The Association of Carbohydrate Chemists and Technologists, India (ACCTI) is a scientific body consisting of academicians, scientists, technologists and industrialists actively involved in Carbohydrate Research in the country. The Association organises Carbohydrate (CARBO-series) Conferences in collaboration with various Universities and Research Institutes in India since 1984, with the aim to develop viable platform for effectual interactions among scientists and industrialists working in this area.

The International Conference on “Emerging Trends in Glycochemistry, Glycobiology and Technology” (CARBO-XXXVI) will be held at the Department of Chemistry, IIT Bombay, Mumbai, India during December 5-7, 2022 under the auspices of Association of Carbohydrate Chemists and Technologists (India).

The organising committee of CARBO-XXXVI cordially invites you and your fellow colleagues for active participation in the forthcoming conference at IIT Bombay. Please encourage your students and young researchers to participate in the conference as they are the future of the society. For further details about the CARBO-XXXVI Conference please visit our website: [www.accti.in](http://www.accti.in) and contact the Organising Secretary of the Conference on the following address:

Professor Suvarn S. Kulkarni, Ph.D., FRSC, FMASc
